Can you feel it? **Bm**
 Hear my breathing **Bm**
 Getting strong **Gb**
 In the corner **Bm**
 Baby come on
 I'll push your head down **Gb**
 Feel my skin **Bm**
 Right now
 Burn your mind **Gb**
 My body **Em**
 Through your heart **Bm Gb**
 My body **Em**
 Inside your heart **Bm Gb**
 (**Bm Gb Bm Gb**)

Touching you
 Touching me
 Feel my skin **Gb**
 Burning **Bm**
 Our souls dancing **Gb**
 And I can see the flames in your eyes **Bm**
 No I won't forget **Gb**
 But baby I don't got any soul to take **Bm Bm Gb**
 My body **Em**
 Through your heart **Bm Gb**
 My body **Em**
 My body
 Inside your soul **Bm Gb**
 My body, my body **Em**
 Inside your heart **Bm**
 My body **Em**
 Through your soul **Bm**
