Rough Draft Number 1 - Corrections, additions are most welcome. Or, take the Jonny route and put in your own kinks. [quick tabbed by]

In addition to the chords which OJ posted, you can use this in place of the F if you wish:

D2 [100230]

-

Riff - 3x - second time is variation of it.

- OR - (use which ever one floats your boat)

After the '...you're my man-o-war' bit. Add some squeals, slides, pops etc.

```

B-----1-----3-----3-----

G-----2---s7--5--4--5-----2---s7--5--4--5-----2---s7-
-5--4--5---|
D-----2-----7-----0-----7-----0-----
-----7-----|
A--0-----x-----x-----
-----|
E-----2-----1-----
-----|

```

Just play about on these notes to get 'dirty' sounding notes. Hmm.

```

G-----5-----5-----5--4-----|
D-----7-----7-----7--7-----7-----|

```

After the 'worms will eat...' part. [NB: this is very sketchy-I'm not sure how to show the 13-14-12 bit. There's some major bending, so you can mess around w/ that]

```

B-----12b13b12--10----10--12--13--12--10--12p10----
-10-----|
G-----11-----11-----

```

As for the part under the lyrics which go:

'so unplug your phone
stop all the chatter
it all comes flooding back
from poisoned clouds
to poison the world '

...I'm still working on it.
