

# Radiohead - Dollars And Cents

Tom: **B**

[Intro:] **B Bm**

There are many things to talk about

Be constructive

Bear witness we can use

Be constructive with your blues

Even when you're talking it's only warnings

Even when you're talking war games

Why don't you quiet down?

Why don't you quiet down?

You don't live in a business world  
 You never go out and you never stay  
 We'll have goals in a liberal world  
 Living in times when I could stand it, babe  
 It's all over baby's crying, it's all over baby  
 I can see out of here

All of the planet's dead,  
 All over the planet, so let me out of here  
 All over...

We are the dollars and cents  
 And the pounds and pence  
 And the mark and the yen, and yeah  
 We're going to crack your little souls  
 We're going to crack your little souls

We are the dollars and cents  
 And the pounds and pence  
 And the pounds and pence, and yeah  
 We're going to crack your little souls  
 Crack your little souls
