

Radiohead - Dollars And Cents

Tom: **B**

[Intro:] **B Bm**

There are many things to talk about

Be constructive

Bear witness we can use

Be constructive with your blues

Even when you're talking it's only warnings

Even when you're talking war games

Why don't you quiet down?

Why don't you quiet down?

You don't live in a business world
 You never go out and you never stay
 We'll have goals in a liberal world
 Living in times when I could stand it, babe
 It's all over baby's crying, it's all over baby
 I can see out of here

All of the planet's dead,
 All over the planet, so let me out of here
 All over...

We are the dollars and cents
 And the pounds and pence
 And the mark and the yen, and yeah
 We're going to crack your little souls
 We're going to crack your little souls

We are the dollars and cents
 And the pounds and pence
 And the pounds and pence, and yeah
 We're going to crack your little souls
 Crack your little souls
