

Radiohead - Down Is The New Up

Tom: D

I managed to tab this from some live footage off youtube. It varies every time but here are the main parts.

This is from a Chicago gig on youtube so it may not be 100% due to sound quality.

Em Gb E GAug E Gb

Atmospheric with reverse reverb or something similar

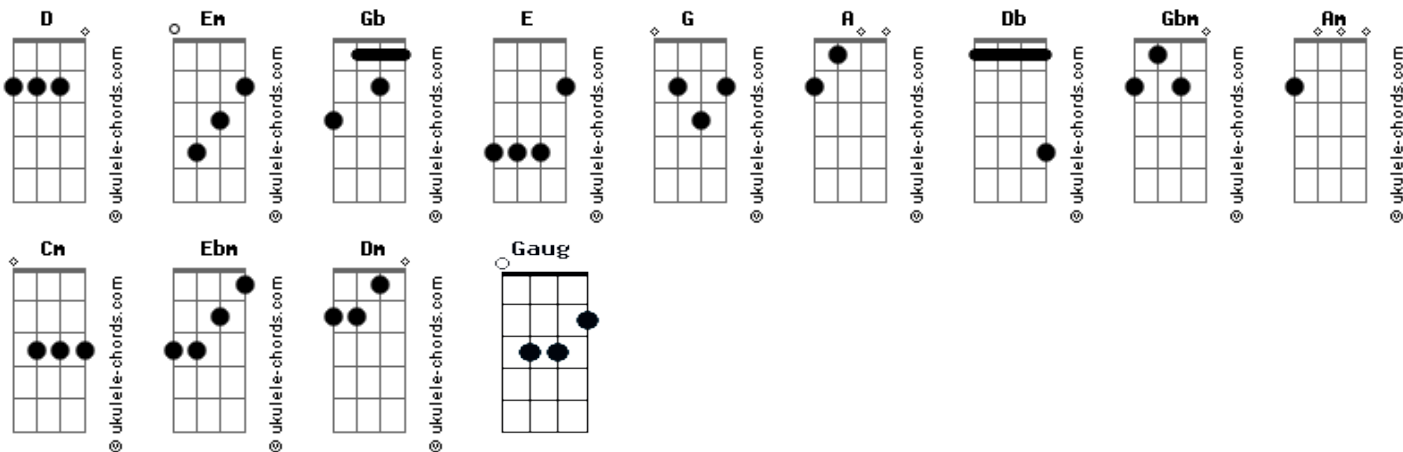

G Gb

E---- E----- | pb=pre-bend r=release bend
 A---- A----- |
 D---- or D----- |
 G---- G----- |
 B-8\7 B-8pb9r8
 e---- e-----

Chorus

A Db A G Gbm

Acordes

Play this part how you wish i have written it in arpeggio but whatever you want, i think may just be strumming it.

Am

Cm

Ebm

Dm

Both parts repeat but in Verse 2 Thom plays the Chords on piano.

i.e Em Gbm Em GAug Em Gbm Em

Then on the live versions there is a long coda in which jonny plays the drums in which bass is playing the same sort of thing as the main riff. On some versions ed O'Brien with the reverse reverb sound, although it is different everytime and the sound quality it hard to distinguish what he is playing.

But here is the main bulk
