

Radiohead - Gagging Order

Tom: Bb

[Intro:] Bb Gm Bb Gm Bb

I know what you're thinking

But I'm not your property

No matter what you say

No matter what you say

Move along,

Move along,

There's nothing left to see

Just a body,

Nothing left to see

A couple more for breakfast

A little more for tea

Just to take the edge off

Just to take the edge off

Move along,

There's nothing left to see

Just a body,

Pouring down the street

Acordes
