

Radiohead - Inside My Head

Tom: C

[Intro:] Em C Am C

(Em C Am C)

What do you want from me? Now you got me
 Now my fingers bleed, now they're staring at me
 I'm a coward now, I hold my peace
 Now you tie me up to your feather bed
 And I twist and turn in a chinese burn
 You won't let go, you won't let go

Em Am Em Am

You're inside my head

Em Am Em Am

Inside my head

What do you want from me? Now you got me
 Now my energy, you suck from me
 And I'm holding on for dear life
 Quit smothering me, quit laughing at me
 I've got a disease, an English disease
 It won't let go, it won't let go

What did you put in that syringe?
 Whatever you really said to him?
 Is sitting there, inside of me
 And you bother me, you possess me
 You're there again, a head of me
 And I won't let go, I won't let go
