

Radiohead - Killer Cars

Tom: G

Verso 1:

G
too hard on the brakes again
GX
what if these brakes just give in?
C
what if they don't get out of the way?
D D D
what if there's someone overtaking?
G
i'm going out for a little drive
GX
it could be last time I see you alive
C
there could be an idiot on the road
D D
the only kick in life is pumping his steel

Refrão:

A Bm
wrap me up in the back of the trunk
C

packed with foam and blind drunk
A Bm
they won't ever take me alive
C
they all drive

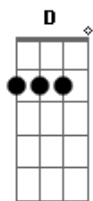

Verso 2:

(Mesmos acordes do verso 1)
don't die on the motorway
the moon would freeze
the plants would die
i couldn't cope if you crashed today
all the things i forgot to say
i'm going out for a little drive could be
it could be the last time you see me alive
what if the car loses control
what if there's someone overtaking
