Blow into this paperbag,  
Go home, stop grinning at everyone  
Blow into this paperbag,  
Go home, stop grinning at everyone

It was nice when it lasted,  
But now it's gone

It was nice when it lasted,  
But now it's gone

Take your armor off,  
You're not under attack  
Take your armor off,  
You're not under attack

And they were honeybees  
On a blade of grass  
Take your armor off,  
You're not under attack
