

Radiohead - Vegetable

Tom: **G**

I'm not sure about this at all, but if you tune down 1/2 step and play it this way, it sounds OK...
Intro: . Bass opens (I think) as illustrated. Then guitar.

1.

I never wanted anything but this
I worked hard, tried hard
I ran around in domestic bliss
I fought hard, died hard
Every time you're running out of
here
Every time you're running get the
fear.

2.

I never wanted any broken bones
Scarred face, no home

You words surround me and I asphyxiate

And I burn all hate
Every time you're running out on
me

Every time you're running I can

see. I'm not a vegetable
I will not control myself

I spit on the hand that feeds me

I will not control myself

The waters break, the waters run all over me

The waters break, the waters run And this time your gonna pay

(Something similar to the) solo:

= vibrate
/ = bend
\ = release

I'm not a vegetable... (etc. like before).
