

# Radiohead - Vegetable

Tom: **G**

I'm not sure about this at all, but if you tune down 1/2 step and play it this way, it sounds OK...  
Intro: . Bass opens (I think) as illustrated. Then guitar.

1.

I never wanted anything but this  
I worked hard, tried hard  
I ran around in domestic bliss  
I fought hard, died hard  
Every time you're running out of  
here  
Every time you're running get the  
fear.

2.

I never wanted any broken bones  
Scarred face, no home

You words surround me and I asphyxiate

And I burn all hate  
Every time you're running out on  
me  
Every time you're running I can  
see. I'm not a vegetable  
I will not control myself  
I spit on the hand that feeds me  
I will not control myself  
The waters break, the waters run all over me  
The waters break, the waters run And this time your gonna pay  
(Something similar to the) solo:  
= vibrate  
/ = bend  
\ = release

I'm not a vegetable... (etc. like before).
