

# Radiohead - Wicked Child

Tabbed By : Chris  
e-mail: C

Tuning:Normal

It starts of with the bass and the guitar playing together:

```
G|-----|
-----|
D|-----10--8-----|
-----|
A|-----10--8-----10-----|
-----|
E|--3-----|
-----|
```

Second time round its:

```
G|-----|
-----|
D|-----10-----|
-----|
A|-----10--8-----10-----|
-----|
E|--3-----8-----|
-----|
```

Third time round its:

```
G|-----|
-----|
D|-----|
-----|
A|-----10--8-----|
-----|
E|--3-----8--6--3-----|
-----|
```

After that Colin sticks with either the third way of playing

the riff or this:

```
G|-----|
-----|
D|-----|
-----|
A|-----|
-----|
E|--3--1-----8--6--3-3-3-----|
-----|
```

There is a little bridge where the drums stop and the bass is:

```
G|-----|
-----|
D|-----|
-----|
A|-----|
-----|
E|---8--8--7--6--6--5--3--3--3-----|
-----|
```

Thats pretty simple. The bass stays on that riff all the way threw but Colin plays around with it quite alot.

Thats pretty much it, if u want to contact me its .

```
| / slide up
| \ slide down
| h hammer-on
| p pull-off
| ~ vibrato
| harmonic
| x Mute note
```
