

# Raf - Self Control

Tom: E

Intro: Em7 Em Bm Em Bm

Oh the night is my world  
 City life painted girls  
 In a day nothing matters  
 It's the night time that flatters  
 Oh the night no control  
 Through the wall something breakin'  
 Wearin' white as you're walkin'  
 Down the streets of my soul  
 You take my self you take my self control  
 You got me livin' only for the night  
 Before the morning comes the story's told  
 You take my self you take my self control  
 Another night another day goes by  
 I never stop myself to wonder why  
 You're makin' me forget to play my role  
 You take my self you take my self control

I i live among the creatures of the night  
 I haven't got the will to try and fight  
 Against a new tomorrow  
 So i guess i just believe it that this night will never go  
 Night i'm livin' in a moment of a dream  
 I know that life is not as it would seem  
 I must believe in something  
 So i make myself believin' that this night will never go  
 (Em Bm )  
 Oh, oh, oh oh, oh, oh  
 Oh the night is my world  
 City life painted girls  
 In a day nothing matters  
 It's the night time that falatters  
 You take my self...  
 I said i i live among the creatures of the night  
 I haven't got the will to try and fight  
 Against a new tomorrow  
 So i guess i just believe it that tomorrow never knows
