Dm
 Have no doubt and in truth I do believe
F
 Opened both eyes so the way, I can see

Dm **C**
 Being alive is being strong, strong enough to hold and give
 back everything I dreamed

F **G**
 All I really had to do, had to do was to believe it all can be
Dm **C**
 Being good is always winning, always winning, in the end you
 see evil trying to escape

F **G**
 No, don't think I didn't see, I didn't see, my real place is
 really here
 The first place!

Dm
 All the kneaded bread I had to eat
F
 It's fertilizer, I'm alive, indeed
Dm
 Even got my heart a shine, it's new
C
 More precious than a pearl, strong and true

Dm
 Champion, ah ah ah
F
 Always winning in the end
Dm
 Champion, ah ah ah
C
 No one else can be the same
Dm
 Champion, ah ah ah
F

Life and power, strength in me
Dm
 Champion, ah ah ah
C
 I am here now just to win

Dm **C**
 All my dreams are way better, way better than all the things
 the world tries to make me believe

F **G**
 I know very well all I have to do, have to do to make them
 real, they'll come true

Dm **C**
 Takes a lot more than money, more than money to make everyone
 listen to my speech

F **G**
 God's the one who's given me all I need, all I need so I can
 reach
 The first place!

Bb **Dm**

 A champion will always bring you to happiness

Dm
 Excuse me, cause I'll separate the wheat from the weed

F
 You better not come here if you are not friends with me

Dm
 Well, you could tell your friends you are the one who is right

F
 but know you'll never ever get inside of my heart
