

# Rafa Lourmmel - Joy

Tom: F

**Bb**  
I feel a beating deep inside me

**C**  
I'm becoming a brand-new heart

**Bb**  
It's the same but only renewed

**F**  
And it's singing its own part

**Bb**  
Everything is new in my life

**C**  
Back to smiling once again

**F**  
Sing along and have a great time

**C**  
I am calling all my friends

**Gm**  
Came around to call you up

**C**  
Came around to tell you this

**Gm**  
I was born to love you all

**Am**  
You are all I think about

**Dm**  
I'm feeling joy, I'm feeling joy

**Bb**  
Life is free and overflowing like a rainbow in my heart

**Dm**

I'm feeling joy, I'm feeling joy

**Bb**  
1st time: life is free and overflowing, cause now I'm feeling joy

**Dm Bb Dm Bb**

2nd time: life is free and overflowing and the Sun will come to shine

**Bb**  
No one else will ever trick me

**C**  
Telling me what I to do

**Bb**  
Cause my heart is pure and so clean

**F**  
And it's beating cause of you

**Bb**  
Now I've got my very own wings

**C**  
I am free enough to fly

**Bb**  
Through the Universe, the whole sky

**C**  
Landing where you are nearby

**Gm** **C**  
Nobody ever thought I would last

**F**  
My voice, some tried to silence, make it rest

**Gm** **C**  
But then you came to help me stand

**Bb** **C**  
You held onto my hand, my entire life, you made it change
