Rafa Lourmmel - Real Life

Tom: F

```
   Dm                          Am
Through my singing your love I got to find
Dm                                F
This bright shine in your eyes made me wonder why
Dm                              Am
The world lives on distraction, they cannot realize
Dm                              F
To see what life is about you gotta listen to your heart

Dm                                 Am
I do not want to know about delusion-life online
Dm                                 F
I'm staying here, I'm so sorry, but I choose real life

Am              Dm
Real life, here I'll be happy
Am                   F
Real life, I will learn how to live
Am                    Dm
Real life, my heart is telling me
Am                   F
Real life, in this I can believe

Dm                     Am
I imagined you, and then you came to me
Dm                                  F
My best dreams couldn't be better than this thing we both just
did

Dm                                  F
Our love is real, and all the rest is bullshit

F                      Am
I turned off even my TV
F                     Dm
Disconnected also my PC
F                         Am
My last tweet: "open eyes to see"
F
My password, I threw away
Out of the server, now I'm free

Ending: Am
