

Rafa Lourmmel - The Very First Time

Tom: C

C Am F G
C Am F G

Em Am
Angel, please, forgive me, I was wrong

F G
Took a while, now I have learned

Em Am
I made you cry for me

F G
Please, forgive me

Em Am
I know, you're the one I want for me

F G
And for you I keep waiting here

Em Am
You are the cutest thing on Earth

F G
I've ever seen

Am D
I used to be only a sketch of me

Bb F
Thinking the world was centered on me

Am D
But I'm awake, and all I can say

Bd F G
Is my deepest only love is you

C Am
Let me love you, I want to do the right thing

F G
For the very first time

C Am
Let our love through, it's healing all those wrong things

F G
All my selfishness brought inside

F Bb
And, please, forgive me, now I am here

F G
I wanna make you happy

C
For the very first time

Em Am
My little bird, gimme one kiss, I love you

F G
Hold me now and make love to me

Em Am
Let's both forget about the world

F G
Make love to me

Em Am
I see deep inside your eyes

F G
For me you keep on breathing

Em Am
We are both only two lovers

F G
Loving each other

C Am
I wanna blend your love in my love and mix it all

F G
I'll lull you to sleep, and your comforter is me

C Am
I wanna wake up looking at your smile

F G
So let's make love right now

C Am F G
For the very first time
