

# Rafa Lourmmel - Win

Tom: A

**Bm** It's all gonna be alright, I know  
**A** But only if you do believe it so  
**Bm** Everything will be resolved in time  
**A** Every pain one day you'll overcome  
  
**Bm** Hope you reach all the notes if you want to sing  
**A** Hope you catch all the steps if you dream of dancing  
**Bm** Many goals if an ace is what you want to be  
**A** Make your body sweat, runner, if you want to win  
  
**Gbm** Think it higher, this is going to be, I'm gonna win  
**Gbm** Think it harder, problems are being solved, I'm gonna win  
**Gbm** Keep on thinking, everything God wants will always be

**Gbm** Seeding good, loving to be you, and you are gonna win  
**E**

**Bm** And if someone tries to hurt you  
**A** With those mockeries, the coldest words  
**Bm** Go ahead and don't ever give up  
**A** Walk with peace, every day, on and on

(**Bm D A E**  
**Bm D A E**)

**Gbm** I know you'll make it true, make it happen
