

Rafael Witt - Invitation To Happiness

tom: F (forma dos acordes no tom de G)
 Afinação: D G C F A D

Intro: C

Pull away the world

So that it's just you and me

We know tomorrow ain't no guarantee

But why choose sorrow over destiny?

We have always been afraid of uncertainty

But there's no joy in plain security

We plan and hope and fear

If there is love, it must be here

I thought this wasn't real but now it's clear to see

Why have you been hiding? Hiding away from me?

Silence all doubts inside my head

And hold my hands until I'm dead

Behold I see, behold I see

Behold I see the invitation to happiness

Search my eyes

For who we used to be

Acordes

And when you find us, please
 Kiss my lips gently

Oh, whatever is hurting you
 I promise, I can make it all disappear - just trust me
 No, there is nothing left to lose
 There's nothing left to fear, it's true

I want to believe, believe in us again
 I'm not ready to be, to be no Superman

Silence all doubts inside my head
 And hold my hands until I'm dead

Behold I see, behold I see
 Behold I see the invitation
 Behold I see, behold I see
 Behold I see the invitation to happiness

Take your time
 If I'm to be sincere
 There's nowhere I would be but here
