

Rafaela Olegário - Lindo Jardim

tom:

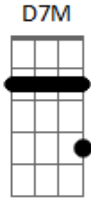

0 dia raiou
 Trazendo alegria pro meu coração
 E trazendo flores de todas as cores
 Colorindo minha vida então
 0 dia raiou
 Trazendo alegria pro meu coração
 E trazendo flores de todas as cores
 Colorindo minha vida então
 Essa alegria que invade
 Desse Jardim já faz parte

Que plantou dentro de mim
 Primavera
 Essa alegria que invade
 Desse Jardim já faz parte
 Que plantou dentro de mim
 Primavera
 Eu sou um lindo jardim Que vive a florir
 Eu sou um, lindo lugar que me leva a sonhar
 Não posso me esquecer
 De sorrir viver e cantar
 Diga pra si mesmo eu sou um lindo lugar
