

# Raffa - Nascente

tom:

Intro: A7 D E A7  
A7 D7 Dm A7

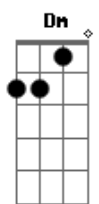

Sempre que olho pra você  
Tudo em mim vira um mar de prazer

Não consigo mais disfarçar  
Desse jeito é difícil viver

Quero uma chance  
Para abrir o teu segredo  
Te levar pra longe  
E matar o meu desejo

Quando eu te vejo passar  
A vontade é maior que o olhar

Nunca senti nada assim  
É demais esse fogo sem fim

Mata minha sede  
Seja a minha nascente  
Seja minha rede  
Quero me deitar pra sempre

E morrer de amor com você  
E morrer de amor  
E morrer de amor com você  
E morrer de amor
