Now in this part I'm not too sure on how to get the various harmonics going
Just play around with it til you get something that sounds like it should

Fig 4. End Fig 4.

Unfortunately, this is another riff that is fairly elusive to my ears. it sounds correct to me but I'm not 100% sure.

Fig 5.

End Fig 5.

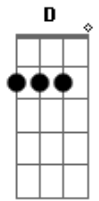

Repeat Fig 3.

Fig 6. End Fig 6.

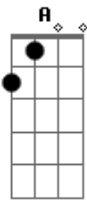

For Fig 7. Just play an **A** at 10 on the **B** string and mess with the whammy pedal while fading out

That should be it for the song!
