

## Rage Against The Machine - Bullet In The Head

Tom: D

Esse começo é tocado no baixo

just victims of the in-house drive by they say jump you say how high

Then comes a short lead break:

not sure about the last 2 notes above

I haven't gota clue about the next verse, but anyway, now for the killer main riff

-Lyrics-

This time the bullet cold rocked ya A yellow ribbon instead of a swastika Nothin' proper about ya properganda Fools follow rules when the set commands ya They said it was blue When the blood was red That's how you got a bullet blasted through ya head

Blasted through ya head Blasted through ya head

I give a shout out to the living dead

Acordes

Who stood and watched as the feds cold centralized So serene on the screen You was mesmerized Cellular phones soundin' a death tone Corporations cold Turn ya to stone before ya realize

They load th clip in omnicolour They pack the 9, they fire it at prime time Sleeping gas, every home was like Alcatraz And mutha fuckas loast their minds

Just victims of the in-house drive-by
They say jump you say how high
They load the clip in omnicolour
They pack the 9, they fire it at prime time
Sleeping gas, every home was like Alcatraz
And mutha fuckas lost their minds

No escape from the mass mind rape
Play it again jack and then rewind the tape
Play it again and again and again
Until ya mind gets locked in
Believin' all the lies that they're tellin' ya
Buying all the products that they're sellin' ya
They say jump
Ya say how high
Ya brain dead
Ya got a fuckin' bullet in ya head

Just victims of the in-house drive-by they say jump you say how high

Ya standin' in line Believin' the lies Bowin' down to the flag Ya gotta bullet in ya head
