LYRICS

 GUITAR INTRO

-PART 1  
 In the right light, study becomes insight  
 But the systems that dissed us  
 Teaches us to read and write  
 So-called facts are fraud  
 They want us to allege and pledge  
 And bow down to thier God  
 Lost the culture, the culture lost  
 Spun our minds and through time  
 Ignorance has taken over  
 We gotta take the power back  
 Bam! here\'s the plan  
 Mother fuck Uncle Sam  
 Step back, I know who I am  
 Raise up your ear, I\'ll drop the style and clear  
 It\'s the beats and lyrics they fear  
 The rage is relentless  
 We need a movement with a quickness  
 You are the witness of change  
 And to counteract  
 We gotta take the power back

-Refrão  
 We gotta take the power back  
 We gotta take the power back

-PART 2  
 The present curriculums  
 I put my fist in \'em  
 Eurocentric every last on e of \'em  
 See right through the red, white and blue disguise  
 With lecture, I puncture the structure of lies  
 Installed in our minds and attempting  
 To hold us back  
 We\'ve gotta take the power back  
 \'Cause holes in our spirit are causin\' tears and fears  
 One-sides stories for years and years and years  
 I\'m inferior? Who\'s inferior?  
 Yea, we needa check the interior  
 Of the system who cares about only one culture  
 And that is why  
 We gotta take the power back

refrão  
 -SOLO

-PART 3  
 The teacher stands in front of the class  
 But the lesson plan he can\'t recall  
 The student\'s eyes don\'t perceive the lies

Bouncing off every fucking wall  
His composure is well kept  
I guess he fears playing the fool  
The complacent students sit and listen to the  
Bullshit that he learned in school

-PART 4  
Europe ain't my rope to swing on  
Can't learn a thing from it

Yet we hang from it  
Gotta get it, gotta get it together then  
Like the mother fuckin' weathermen  
To expose and close the doors on those who try  
To strangle and mangle the truth  
'Cause the circle of hatred continues unless we react  
We gotta take the power back

Refrão  
-No more lies
