riff:2 a musica inteira

Go far on tripping
 Now I'm back at the place
 Go fucking killer Franklin
 Never give a shit
 No big deal
 You're begging for your life
 My face is rotten and full of flies
 Dead face
 Running by a rotten eye
 Let me ride
 I know my enemies
 Now I'm back on the road
 Living in this fuck

If you're bullet proof
 Let's find out now
 Change before the angel's
 Falling in shine
 Hey, give me back my bullet
 'cause I shoot you twice
 I'm putting fire
 I'm a bomberman
 You'll see me and cry
 Blood shed
 Don't hang out of the race

I feel pain you're horny chick
 You'll mosh in the rain
 I know my enemies
 Now I'm back on the road
 Living in this shit
 Run
 Your mouth is full of flies
