

# Raimundos - Seven Eleven

Tom: C

C Am  
I met her at the 7-11 yeah  
C Am  
Now I'm in seventh heaven  
F G  
Tell me tell me can this be true  
F G  
I never thought I'd ever meet a girl like you

C Am  
She was standing by the Space Invaders  
C Am  
So I said can I see you later  
F G  
Yeah we went for a little spin  
F G  
Down to the Holiday Inn

Am C  
We was young and in love  
Am C  
We was young and in love  
Am C G  
And you're the only girl I'm ever thinking of

C Am  
We went down to the record swap  
C Am  
The kids were dancing to the Blitzkrieg Bop

C Am  
What ever happened to the radio  
C Am  
And where did all the fun songs go  
F G  
Summer fun with the Beach Boys on  
F G  
But we all know what went wrong

Am C  
We was young and in love  
Am C  
We was young and in love  
Am C G  
And you're the only girl I'm ever thinking of

F G C Am  
And so we went out to the dance  
F G C Am  
Which turned into a whole romance  
F G  
And after just one night  
F G  
I never thought that things could be so right  
F G C Am  
Oh no-no no no no-no no

( C Am )  
I kissed and hugged her and I said goodbye  
( C Am )  
Last thing I knew she wouldn't make it alive  
( F G )  
Oncoming car went out of control  
( F G )  
It crushed my baby and it crushed my soul

( C Am )  
Now all I got is sorrow and pain  
( C Am )  
Standing out here in the rain  
( F G )  
The crash, shattering glass, the sirens and pain  
( F G )  
It's driving me insane

Am C  
We was young and in love  
Am C  
We was young and in love  
Am C  
And you're the only girl I'm ever thinking of ( 4x e fade out )
