 Sunlight was the only thing that felt right
 Before I came here

E D
 But inside, it feels like it keeps raining
 And every drop is like the tears we could cry

B C D E
 'Cause this time we were all alone

B C
 But this place gave us something
 And somehow made us strong

C A
 If there's a place inside this world
 Where hopes and dreams are not yet lost

C A
 We'll stand and climb against these walls

E
 And fight this fight forever more

E D
 Sometimes I feel this anger changing, slowly into
 A monster that keeps on creeping under

C B C
 And I don't think that I can take anymore
 I need to kill like never before

D
 But can you hear me call ?

C A
 If there's a place inside this world
 Where hopes and dreams are not yet lost

C A
 We'll stand and climb against these walls

E
 And fight this fight forever more

C A
 If there's a place inside this world
 Where we must go back to once more

Where we must go back to once more

C
 Until the day

D
 We find that place
 We're not alone

(E)

C A
 When things go bad, when things go wrong

 When on the verge of letting go

C A D
 There's something that I really want you to know

C A
 When things go bad, when things go wrong

E
 When on the verge of letting go

C A E
 There's something that I really want you to know

 You are not alone
