

Raiz Do Sana - Catarina

Tom: D

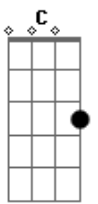

Catarina, quem foi que adocicou
 Esse corpo gosto de mel
 E essa pele cheia de amor
 Catarina, é a lua do meu firmamento
 E eu sou o sol do seu mundo
 Estrelado de sentimento
 O dia estava ensolarado
 A gente se desejou

O dia estava enluarado
 Quando você me beijou
 E a madrugada ficou ouvindo
 Nosso namoro, nossa paixão
 Numa fogueira de nosso fluido
 Saindo do fundo do coração
 Catarina, venha me acariciar
 Pra manter sempre acesa essa chama
 Que o fogo não pode apagar
