 Catarina, quem foi que adocicou C D

 E eu sou o sol do seu mundo  
C D  
 Estrelado de sentimento  
Bm Gbm  
 O dia estava ensolarado  
A7 D  
 A gente se desejou

Bm Gbm  
 O dia estava enluarado  
A7 D  
 Quando você me beijou  
A D  
 E a madrugada ficou ouvindo  
A D  
 Nosso namoro, nossa paixão  
G D  
 Numa fogueira de nosso fluido  
A D  
 Saindo do fundo do coração  
C D  
 Catarina, venha me acariciar

 Pra manter sempre acesa essa chama
