

# Raiz Do Sana - Procê

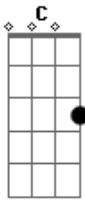

Tom: C

(Frank)

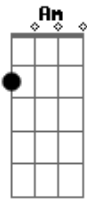

Am G F E  
Ela me ligou pra dizer que está  
Morrendo de saudades  
Dos beijinhos que eu dei nela  
O céu estava lindo  
Am

Era noite de luar  
A gente estava rindo à toa  
A gente estava perto do jequitibá  
A gente se encontrou foi uma loucura  
Seu cheiro não mudou jasmim  
Ela me contou os seus segredos  
Segredos que guardei pra mim
