Amazonas moreno
 Tuas águas sagradas
 São lindas estradas
 São contos de fadas
 Ó meu doce rio
 A canoa que passa
 O voo da garça
 As gaivotas cantando
 Em ti vão deixando
 O gosto de amar
 É o caboclo sonhando

Que entoa remando
 O seu triste penar
 Neste poema de bolhas
 Que ressoa nas folhas
 Da linda floresta
 Do meu rio mar
 É o caboclo sonhando
 Que entoa remando
 O seu triste penar
 Neste caudal tão bonito
 Que é o desejo infinito
 De plantar meu grito
 Nas ondas do mar
 Uuh...uuh...uuh...uuh...uuh
