

Rambler Kane - Fool's Gold

tom:

F (forma dos acordes no tom de Gb)

Afinação: Eb Ab Db Gb Bb Eb

Wish I could sweep you off your feet
 Yeah knights in shining armor tell the truth
 But I'm a beggar in the village
 And a liar with the life that shows the proof
 I don't like to drink
 And a good man never told a lie
 But there's horns upon my shadows
 And I'm guessing that my breath still smells "a-rye"
 So let me down - slow
 Oh, honey, I know
 Yeah there's nothing in this world can stay
 If we're lucky we'll turn old and grey
 Always knew that I'd die young anyway
 Oh and pity those behind who had to stay
 If this world's ever really shining gold

It's fool's gold anyway

Wish I could sweep you off your feet, yeah
 But knights in shining armor tell the truth
 And I'm just a beggar in the village
 And a liar with the life that shows the proof
 I don't like to drink
 And a good man never told a lie
 But there's horns upon my shadows
 And I'm guessing that my breath still smells "a-rye"
 So let me down - slow
 Oh, honey, I know
 Yeah there's nothing in this world can stay
 If we're lucky we'll turn old and grey
 Always knew that I'd die young anyway
 Oh and pity those behind who had to stay
 'Cause if this world's ever really shining gold
 Yeah if this world's ever really shining gold
 It's fool's gold anyway
