When I'm pacing around  
 Looking for  
 A place to go  
 When I'm about to let it go  
 But I'm not  
 Really holding anything  
 Something pulls me back to where I started  
 But nothing feels the same  
 And I've got nothing left to say  
 Oh, I've never been so  
 Lost, like now

Oh, I've never been so  
 Broken like the moment right after you left me  
 I'm so sick of begging you to stay  
 Cuz' doesn't matter what I say  
 Feels like you are never listening  
 Feels like I'm talking to the walls  
 Oh, I've never been so  
 Broken  
 Like this

When I'm thinking about  
 All the things  
 I could've done  
 I know it's pointless to regret  
 Cuz' everything is in the past  
 I have no choice  
 But to follow my way  
 Into this maze we all call life  
 Where we get lost in every day  
 Always looking for directions

But we only find deceptions  
 I swear, I'll never get the point  
 Of running around  
 Towards something  
 I can't trust

Oh, I've never been so  
 Broken like the moment right after you left me  
 I'm so sick of begging you to stay  
 Cuz' doesn't matter what I say  
 Feels like you are never listening  
 Feels like I'm talking to the walls  
 Oh, I've never been so  
 Broken  
 Like this

I'm telling you I've got  
 Nothing left to say  
 But it feels like you don't wanna understand me  
 I'm using simple words  
 Nothing complicated  
 But you make it all sound so difficult  
 Listen baby, I'm not saying it again  
 I'm doing what I can to make it work  
 So help me to help you  
 Don't overthink it  
 Hear me out  
 I'm just saying

Oh, I've never been so  
 Broken like the moment right after you left me  
 I'm so sick of begging you to stay  
 Cuz' doesn't matter what I say  
 Feels like you are never listening  
 Feels like I'm talking to the walls  
 Oh, I've never been so  
 Broken  
 Like this
