 Always stiff, all day long
 Nothing's right till it's all wrong

Gb G
 It makes no sense until I'm tense
 Always laughing at your expense

C B C B
 Anxiety, anxiety, keeps me happy
 Anxiety, anxiety, keeps me happy
 (Nessa parte fica: C B C B)

Always biting on my nails
 Always stiff, it never fails
 Now I think I'll pick my nose
 Wipe it on my sweaty clothes
 Anxiety, anxiety...

Always screamin' at someone
 Got a temper like a gun
 Hair trigger personality
 Anxiety, anxiety, keeps me hap-happy

 And I'm crazy, crazy, crazy in a crazy world
 I'm crazy, crazy, crazy in a crazy world
 I'm crazy, crazy, crazy in a crazy world
 I'm crazy, crazy, crazy in a crazy world

 { Gb G } x2

Anxiety keeps me high
 Cross my heart and hope to die
