C B C B  
 Always stiff, all day long  
 Nothing's right till it's all wrong

G<sub>b</sub> G  
 It makes no sense until I'm tense  
 Always laughing at your expense

C B C B  
 Anxiety, anxiety, keeps me happy  
 Anxiety, anxiety, keeps me happy  
 (Nessa parte fica: C B C B )

Always biting on my nails  
 Always stiff, it never fails  
 Now I think I'll pick my nose  
 Wipe it on my sweaty clothes  
 Anxiety, anxiety...

Always screamin' at someone  
 Got a temper like a gun  
 Hair trigger personality  
 Anxiety, anxiety, keeps me hap-happy  
 { B D E }

 And I'm crazy, crazy, crazy in a crazy world  
 I'm crazy, crazy, crazy in a crazy world  
 I'm crazy, crazy, crazy in a crazy world  
 I'm crazy, crazy, crazy in a crazy world

{ C B } x4  
 { G<sub>b</sub> G } x2

Anxiety keeps me high  
 Cross my heart and hope to die  
 C B C B C B C B  
 Anxiety, anxiety, anxiety, anxiety
