

# Ramones - Apeman Hop

Tom: C

[ A C F G ] x2

A C F G  
 He's go so many problems you can count them one by one  
 He's a filthy, stupid apeman he never has any fun  
 He lives in the jungle in a cave by a hill  
 Plays an old loud drum he's primitive, barely human

A G A  
 Ooohh-ooohh apeman hop

Ooohh-ooohh apeman hop  
 Paint the face of a demon, glowing by the fire light  
 Hoppin' like an elephant thunderin' like me tonight  
 He's the world's worst recycler the iceman comes a lot  
 He's the devil's apprentice he's a prehistoric man  
 Ooohh-ooohh...  
 At night he's gonna sacrifice his beloved apeman girl  
 Tie her to the alter, pull out her heart and eat her flesh  
 Ooohh-ooohh...  
 Ooohh-ooohh...
