Well, I'm going out west out on the coast

Where the California girls are really the most

Where they walk and I'll walk
They fish and I'll fish
They sin and I'll sin
They fly and I'll fly
Where they're out there having fun
In the warm California sun

Well, the girls are frisky in old 'Frisco
A pretty little chick wherever you go

And they walk and I'll walk
They fish and I'll fish
They sin and I'll sin
They fly and I'll fly
Where they're out there having fun
In the warm California sun
Where they're out there having fun
In the warm California sun
