Well, I'm going out west out on the coast

Where the California girls are really the most

Where they walk and I'll walk  
They fish and I'll fish  
They sin and I'll sin  
They fly and I'll fly  
Where they're out there having fun  
In the warm California sun

Well, the girls are frisky in old 'Frisco  
A pretty little chick wherever you go

And they walk and I'll walk  
They fish and I'll fish  
They sin and I'll sin  
They fly and I'll fly  
Where they're out there having fun  
In the warm California sun  
Where they're out there having fun  
In the warm California sun
