You don't want to share with anyone else
 You got all the money, you got all the wealth
 You got all the buildings and the factories
 You got all the power and the ceremonies

You wanna play a game of cat and mouse
 With the President in the White House
 This is a hungry world, there are months to feed
 There are millionaires with more than they need

Don't believe what you've been told

 Somehow we get all these creeps in control
 It makes me throw up in the toilet bowl

You thieving whore, you hustle for bucks
 You take the money and you shoot it up
 That's the breaks, it's the chance you take
 Get it together for your children's sake
