

Ramones - Halfway To Sanity (album)

Tom: **G**

[**E G C D**] x4

E G C D
 I've been thinking it over
 And I know just what to do
 I've been thinking it over
 And I know I just can't trust myself
 I'm a Gypsy prince
 Covered with diamonds and jewels
 But then my lover exposes me
 I know I'm just a damn fool

C
 I give what I've got to give
G D
 I give what I need to live

I give what I've got to give...

E G C D
 I wanna live
 I want to live my life

I wanna live...

As I load my pistol
 Of fine German steel
 I never thought I'd be so down and out
 Having my last meal
 But I know I can do it
 It just took a few years
 As I execute my killer
 The morning is near

I give what I've got to give...
 I give what I've got to give...
 I wanna live...
 I wanna live...

E

[**C G D**] x2

I wanna live...
 I wanna live...
 I wanna live...
 I wanna live...
