

# Ramones - Halfway To Sanity (album)

Tom: G

[ E G C D ] x4

E G C D  
I've been thinking it over  
And I know just what to do  
I've been thinking it over  
And I know I just can't trust myself  
I'm a Gypsy prince  
Covered with diamonds and jewels  
But then my lover exposes me  
I know I'm just a damn fool

C  
I give what I've got to give  
G D  
I give what I need to live

I give what I've got to give...

E G C D  
I wanna live  
I want to live my life

I wanna live...

As I load my pistol  
Of fine German steel  
I never thought I'd be so down and out  
Having my last meal  
But I know I can do it  
It just took a few years  
As I execute my killer  
The morning is near

I give what I've got to give...  
I give what I've got to give...  
I wanna live...  
I wanna live...

E

[ C G D ] x2

I wanna live...

It's my only friend

I don't like those rules

One crisis after another

I'm not on drugs

Ain't no loser or quitter

Don't wait up for me

It's all or nothin' baby

I'm out havin' fun

'Cause we fought so hard

I would think it was for...

For our piece of this world
