[C Db] x4

C G A
 Humankind, it's not fair, why should we all live in fear
 Humankind, it's a test, to see who's the very best
 Humankind, don't know why, no one cares who lives or dies
 C G A D
 Humankind, don't look at me, look at yourself, what do you see

A G A F

 People - starrin' at your clothes - I can't take it anymore

[G F D] x3

 Humankind, don't look at me, look at yourself, what do you see

People - always tellin' lies, they...
