

# Ramones - I Can't Control Myself

Tom: G

[ G G A G A C B A G ] x2

I can't stand still cause you've got me goin'  
Your slacks are low and your hips are showin'

I take you girl as you're standing there  
Your low cut slacks and your long black hair  
Don't want you goin' round with no one else

'cause when I'm with you I can't control myself  
Defense is down and you've got me shakin'

You've got me so that my nerves are breakin'  
If you got me, I like you girl  
Your knees would bend and your hair will curl

You make me move, yeah, like no one else

'cause when I'm with you I can't control myself

[ A G A ] x4

A G A A G A A G A A G A

[ G G A G A C B A G ]

I've got this feeling that's inside of me  
It makes me think of how things used to be

It makes me fell allright

When I'm with you at night and we love

[ G G A G A C B A G ] x2

You hold me so with this quick temptation  
This kind of feeling could move a nation

And I'm okay when I'm here with you

I do the things that you want me to

But do these things for no one else

'cause when I'm with you I can't control myself

[ G G A G A C B A G ]

G G A G A C B A G

I can't control myself

I can't control myself

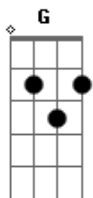

I can't control myself

I can't control myself

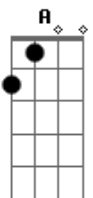

G

I can't control myself baby
