

# Ramones - I Don't Want To Live This Life (Anymore)

Tom: D

[ G D E ] x4

A E A E  
 Now that you're gone I feel the pain  
 My heart trembles I call your name  
 I miss your touch your soft blonde hair  
 I keep searching for an answer it just ain't there

G D A E  
 And I don't want to live this life  
 And I don't want to live this life  
 And I don't want to live this life  
 E

Anymore

Everywhere I turn, the finger points on me  
 You'll never understand I'm in misery  
 'cause baby without you I have no one  
 Oh, my sweet darling what have I done  
 And I don't...

[ G D E ] x4

She smiled at me as I held her carefully  
 Her last words were 'I love you' thought it ser me free  
 And I can't forget that look on her face  
 It looked like an angel as she died in my prayers  
 And I don't...  
 And I don't...  
 And I don't...
