

# Ramones - I Wanna Live

Tom: G

E G C D  
 I've been thinking it over  
 And I know just what to do  
 I've been thinking it over  
 And I know I just can't trust myself  
 I'm a Gypsy prince  
 Covered with diamonds and jewels  
 But then my lover exposes me  
 I know I'm just a damn fool

Solo:

As I load my pistol  
 Of fine German steel  
 I never thought I'd be so down and out  
 Having my last meal  
 But I know I can do it  
 It just took a few years  
 As I execute my killer  
 The morning is near

Solo:

I give what I've got to give  
 I give what I need to live  
 I give what I've got to give  
 It's important if I wanna live
