

Ramones - I'm Not Afraid Of Life

```
Tom: G
   (intro)
(todas as partes em Em na música, são esse riff, exceto o
final)
I am not afraid of life
Of the poor man's struggle of the killer's knife
I am not afraid of life
Of an insane rage of the minimum wage
I am not afraid of life
   I am not afraid of life
   I am not afraid of life
But I see an old lady with a shopping bag
And I wonder is life a drag
I am not afraid of pain
But it hurts so bad I feel so mad
No one see the truth
```

There's nothing to gain a life goes down the drain Don't want to die at an early age

```
I am not afraid of life
  I am not afraid of life
But I see a street crazy shivering with cold
Is it a crime to be old

 Fm
There's the threat of the nuclear bomb
We know it's wrong we know it's wrong
Is there a chance for peace
Will the fighting ever cease
Mankind's almost out of luck
A maniac could blow us up
  I am not afraid of life
  I am not afraid of life
But I get down on my knees and I pray
                            Em (deixa soar o Em até fade)
```

Is there hope for the world today
