

# Ramones - In The Park

Tom: F

[ G Bb F ] x3

C  
All dressed up an' the sun sets low  
A  
When the big bright moon shines a friendly hello  
C  
When my heart pants with lust like a Romeo  
A F G  
Like I am all messed up when the fireflies glow

I just wanna cuss and fight  
I am goin' out tonight  
Everything is out of sight  
It's gonna be all right

C F G  
I'm gonna hang out in the park

Hang out after dark  
I'm gonna be with the gang tonight

Under street lamps I will play  
After the school day  
When the troubles disappear  
I feel excitement is here

Kids in cars were cruisin' by  
The big bright moon smiles in the sky  
Music playin' that portable sound  
Everybody's hangin' all around

[ G Bb F ] x3

I'm gonna...  
I'm gonna be with the gang tonight  
I'm gonna be with the gang tonight  
All dressed up...  
I'm gonna...

## Acordes
