Everybody said so man
You could see it on tv
They stood there ashamed
With no where to go
Nobody wants them now
The kids are alright
Everyday is a holiday
And pushin people around
F C Eb G C F C
I'm making monsters for my friends
I'm making monsters for my friends
Bb G x2
Someone caught one

I could see so myself
I had to call 254
So they wouldn't blame me
We wanted to know
How much trouble there was
When we asked our daddy
He said it was just because
I'm making...

I don't wanna open a can of worms
I don't want any Spaghetti O's
And I can always tell when
Someone is holding a grudge
I'm making...
I'm making...
