Everybody said so man  
You could see it on tv  
They stood there ashamed  
With no where to go  
Nobody wants them now  
The kids are alright  
Everyday is a holiday  
And pushin people around  
F C Eb G C F C  
I'm making monsters for my friends  
I'm making monsters for my friends  
Bb G x2  
Someone caught one

I could see so myself  
I had to call 254  
So they wouldn't blame me  
We wanted to know  
How much trouble there was  
When we asked our daddy  
He said it was just because  
I'm making...

I don't wanna open a can of worms  
I don't want any Spaghetti O's  
And I can always tell when  
Someone is holding a grudge  
I'm making...  
I'm making...
