 Couldn't keep a secret got a concrete skull
 Couldn't shut up you're an imbecile
 You're an ugly dog there's nothing to gain
 You couldn't shut up got a bad bad brain

[G B] x2

Couldn't hold your tongue you were just too young
 Like a two year old you told you told
 You are all the same jelly bean brain
 Every one's a secret nerd every one's a closet lame

 Abstract city don't give a damn
